

Pilgrim Wild

During lockdown I have managed to complete a new anthology of prayers and poems and liturgies. It includes a new daily Office for three prayer moments of the day and also a 7 day Celtic Pilgrimage liturgy for Morning and Night Prayers. The latter is a distillation of liturgies I have been writing for pilgrimages to Celtic Holy Sites which I have been hosting for the last ten years.

The book is only in paperback format and can be bought via Amazon or myself for £10 or US\$15. If you buy it from me I will sign it and send it to you post free (**UK purchases only**). My bank details are as follows:
